Free-mo SLO	HO	San Luis Obispo	California Central Coast	www.trainweb.org/freemoslo	Nil	Free-mo Only	Bob Schrempp rr@schrempp.us	Free-mo SLO or SLO-MO started in 2001 or 2002. We cover the greater San Luis Obispo (Central Coast) area of California, from Paso Robles to Arroyo Grade and beyond. We are not a "club" we are just a group of like minded individuals that like the Free-mo concept. We generally have a work session once a month, individuals work on modules and other projects more often, but as a group we get together once a month. On the weeks we do not meet, we have a video conference call on Sunday mornings to chat about what we are doing and show off projects. We often have others from other Free-mo groups joins us for our monthly gatherings or weekly video calls.	16-Nov-2025
Gold Country Model Railroaders	HO	Placerville	Sacramento valley and Sierra Foothills	Nil	Gold Country Model Railroaders Members	Free-mo+	Michael Mickens mmrailfan@yahoo.com	Gold Country Model Railroaders is dedicated to HO scale modular model railroading. We're based in Placerville, California, but our members are located across the greater Sacramento region and beyond. We have a mix of Free-mo modules and Simple Mo modules that allow us to run small operations, and our goals are to have fun, build fellowship, share knowledge, and offer assistance to other modelers. Did we mention have fun? We're looking for model railroaders who want to build high-quality modules, we're here to offer support and advice	17-Nov-2025

Northern California Free-mo (NorCalF) is an informal group of like-minded modelers experienced in the various model railroading disciplines. We aspire to a high standard of modeling ranging from cabinetry skills for module framing, to preparation and operation of highly detailed engines and rolling stock. There is no organizational structure, meetings or dues. All decisions about setups and group recommendations are made by consensus. Setups occur as space and time are available, typically 2 to 4 times per year.	11-Mar-2026
Pacific Southwest Free-mo	HO	San Marino	Southern, Central and Northern California, Arizona and Nevada	www.pswfree-mo.org	Nil	Free-mo Only	Through contact form on website	Pacific Southwest Free-mo aims for realistic prototype-based modeling of railroad scenes using Free-mo standards. Our intention in Pacific SouthwestFree-mo is to build modules based on actual prototype scenes and which conform to Free-mo standards. Without regard to era or railroad, we are looking for modules that are realistic presentations of real railroading in miniature.	8-Dec-2025

Gateway Free-MoN	N	St Louis	Midwest	www.janzenfamilytrains.com/gateway-free-mon	Gateway Ntrak	Free-moN	Jim Lynch through Facebook Messenger	Gateway Free-moN is the Free-moN Division of Gateway NTRAK. Our members are mostly around the greater Saint Louis area, but we also have members in other states. Our modules follow the Free-moN standard (http://free-mon.net/), and we have participated in layouts from Ohio to Texas and Nebraska. Our modules are currently all Midwest-themed, but we are open to any prototypical module idea. The Free-moN layout features mostly way freights instead of the typical loop running most often seen at shows. Modules include prototypical scenes from Kansas, Oklahoma, and Missouri, as well as some proto-freelanced scenes.	26-Dec-2025
